

Nursery Friday Notes

11th November 2016

What we did this week:

This week the children have continued to learn about the animals with enthusiasm! They love naming the animals!

In English, The children started learning about sea creatures. They were learning about the Jellyfish and the Shark.

We sang the Jellyfish song (please see the class website under 'English resources').

There are some other great videos on this page, which we will be adding to over the coming weeks!

The children enjoyed making their jellyfish and using them to dance to the song.

They used watercolours on their sharks and sang the baby shark song!

In Chinese this week the children have been very busy!

We have looked at the characteristics of the Rabbit and the bird.

They made a rabbit headband to wear and had a great time modeling it to each other!

They created an art piece of the bird.

They also read the story of the Tortoise and the Rabbit who have a race to see who is the fastest!

Value for November:

This month's value is 'giving', which is the white dragon. This week we have continued to focus on giving kindness to others, by sharing the toys in the classroom and outside in the play area.

In Thai class, the children have also been 'giving' their cow art some grass to eat.

What we will do next week:

Next week in English we will finish continue looking at animals that live in the sea. We will look at the Octopus and the dolphin.

In Chinese next week, we will start looking at the jungle animals. We will look at the tiger and the Elephant.

Seesaw:

The nursery classes are trialing a new photo system in the classrooms. This is super exciting as it means that you will no longer have to wait for photos, they will be uploaded more regularly and you will receive them immediately!

Instructions on how to get started are in your child's Communication Book. If you struggle or need help, let Ms. Rachael know via email.

This new system will replace the need for a USB with the class photos.

Later in the year we will ask for your feedback about Seesaw!

Vocabulary:

Here are the vocabulary words so far this term. You can look at them in their home language to help their understanding!

English: Farm, Horse, Pig, Sheep, Cow, grass.
Sea, Ocean, Jellyfish, Shark, fish, crab.

Chinese: Cat, Dog, Fish, Rabbit, Bird.
Jungle, Tiger, Elephant

We hope you have a great weekend!
