

Nursery Friday Notes

18th November 2016

What we did this week:

This week the children have continued to learn about the animals with enthusiasm! They love naming the animals!

In English, the children have made a GIANT octopus with eight long legs, which we carefully counted. We also made wonderful seascapes for our dolphin pictures.

In Chinese class this week we read a story about an elephant wrestling with a mouse. We created artwork for the tiger, painting him orange, and also made an elephant mask!

Christmas Party:

This year, on the last day of term, we will have a Christmas party and you are cordially invited!

This will take place on the last day of term (16th December).

Nearer the time, we will send out information about providing food and our secret santa!

This is a great opportunity for your children to have fun and socialise with their friends.

If your child will be absent at the time, please let us know in advance as we would like them to still take part in the secret santa.

Vocabulary:

Here are the vocabulary words so far this term. You can look at them in their home language to help their understanding!

English: farm, horse, pig, sheep, cow, grass, sea, ocean, jellyfish, shark, fish, crab, octopus and dolphin.

Chinese: cat, dog, fish, rabbit, bird, jungle, tiger, crocodile, monkey and elephant.

Start and end of the day:

This is a polite reminder that the classroom doors are opened at 7:50, but children arriving after 8:15 will be given a late mark.

Also, the school day ends at 2:45pm. It is very important that children are collected on time, as many classrooms are used for after school activities. Also, staff have meetings to attend after school. If you are late collecting your child, please email the school room teacher directly or the school office to let them know. You will also need to collect your child from the Principal's Office. This can be very upsetting for your child as it is difficult for them to understand problems with the traffic, weather etc.

If you know you are going to be late and would like someone else to collect your child, please inform us as soon as possible. Any person collecting your child will need an id card.

What we will do next week:

Next week in English we will look in depth at where the animals they have learnt about live. We will practice sorting the animals into the correct Habitats.

In Chinese next week, we will learn about the monkey and the crocodile. We will create artwork, look at their characteristics and where they live.

We hope you have a great weekend!
