

Nursery Friday Notes

2nd December 2016

What we did this week:

Let's see what the children have been learning this week:

In English, the children finished creating their farm pictures and have started using them, along with their seascapes, to sort the animals into their correct habitat.

In Chinese class this week, the children have been learning more about the habitats of the animals. They played sorting games and watched a video.

Secret Santa:

We have given each student a friend to buy a gift for. These have been posted on the noticeboard outside the classroom. Please check the list to see which classmate your child will buy for!

Please purchase one toy not exceeding **500 baht**.

Please gift wrap the present and bring it into school by **Tuesday 13th December**. This is to ensure that all children will have a gift to open at the party.

If your child will be absent from school on the last day of term for a family holiday, please let us know in advance so we can send home your child's gift.

A very Happy Birthday!

Peach (7th Dec), Kean (14th Dec), Primo (25th Dec).

Christmas party:

This year on the last day of term (16th December) we will have our Christmas party. Parents are invited to help with the gift exchange (see the secret santa box below) and eat party food with their child/ren on this day! We would like to invite you join us at 10am.

We would like your help with the food for our party. Nursery L will provide the sweet dishes and drinks.

Nursery R will provide the savoury dishes (rice, chicken, etc).

Mr. Laurent has requested: No sticky rice, Moji (Japanese sticky rice cake) and Coconut jelly or anything that can spoil because of the heat.

Please find the sign up sheet for the food list on the noticeboard outside the homeroom classroom. Kindly ask the homeroom teacher if you have any questions.

What we will do next week:

Next week in English we will finish all of our assessments for UOI 2. We will continue to play sorting games and practice counting and number correspondence.

In Chinese next week, the children will complete their assessments for their skills and UOI 2.

Have a lovely weekend!
