

Unit of Inquiry 1 (UOI 1)

I'm a Good Friend and Family Member

Central idea: I can identify my family and friends and treat others with care.

During the UOI the children will learn to do the following in English, Chinese and Thai:

- Identify their family members
- Recognise and identify their class friends
- Treat my others with care

Lines of inquiry: Friends and family members (Form); Making connections between myself and my family members (Connection); Caring and sharing with my friends (Responsibility).

As well as the language for the theme above, the children will be learning to become more independent learners in the classroom. Skills include: Self-management, independence, decision making, respecting others and empathy, among many, many more!

The unit will take place from 22nd August until 12th October.

Please bring in 2 copies of a family photo including mum, dad, brothers and sisters (extended family not necessary).

On the back indicate who the photo belongs to, who the family members are (in relation to your child) and whether we may keep the photo.
